LETTER TO PATRONS

In accordance with our contract with you, we have reserved a place for your daughter and are expecting her for the coming year. To promote her comfort and best interests we offer the following suggestions:

I. TRAVEL. Plan, if possible, for her to reach Sweet Briar in the daytime. All trains are met at the Sweet Briar station on September 15, 16, 17. As a new student, your daughter should arrive on the afternoon of September 15 or the morning of September 16. Unless absolutely necessary do not plan for her to arrive before September 15, as the college will not be ready to receive her before that date.

Tag her trunk and suit-case with the enclosed pasters. She should bring in her suit-case a few extra pieces of clothing in case there should be any delay in the delivery of trunks.

II. CLOTHING. We urge students to observe the utmost simplicity in dress. We consider any extravagance in clothing unsuitable for college students.

III. MONEY. Furnish your daughter with a check for money due on her first semester college expenses, and \$15 for a book deposit (separate from the college). Give her a modest regular monthly allowance, which she may deposit with the college Treasurer, Mr. William B. Dew, who will act as her banker.

IV. PERMISSIONS. Especial written permissions from parents or guardians are required for—

(1) Swimming in the lake (an instructor is always present).

(2) Horse-back riding.

(3) Opening accounts with merchants.

If you wish to give these permissions, please do not fail to send them. They are to be delivered to the Secretary of the President, either by a letter or by your daughter. We advise

strongly against permission to open accounts. When such permission is given the student must in every case furnish the merchant with the address of parent or guardian.

V. FURNISHINGS. All rooms are simply but adequately furnished. The walls are tinted tan or gray. A student should bring an extra wool or down comfort, four single sheets, four pillow cases, and six hemmed table napkins (linen or linen and cotton), and towels, and, if she desires, a couch cover and a few sofa cushions. These last are not necessary, but make the room more attractive. Mark all articles, except the napkins, for the laundry with woven name.

VI. MOVING. *No student may move from the room assigned her during the opening week of college.* Thereafter, if a good reason is offered, and the arrangement is possible, one move may be made. A charge of \$5.00 will be made for any further move.

VII. VACATIONS. Students may not leave for vacations before the appointed time, and must return at the time stated. Parents cannot be too strongly urged not to permit any violation of this rule. Failure to observe the regulation entails serious loss of class credit and standing.

VIII. By all means enter your daughter in a regular college class rather than as a special student, as special students are at a disadvantage in the college life and are rapidly being eliminated.

IX. We expect your daughter to conform in every way to the standards and requirements of Sweet Briar. Any student who does not show the proper spirit of conformity is detrimental to the student body and cannot remain at the college.

X. Address all requests or suggestions to the President, who will always be glad to correspond with you on any question pertaining to your daughter's welfare.

Very sincerely,

EMILIE W. McVEA,
President.
